

2000x1200mm Perforated Pool Fence Panel Kit

Choose from two convenient mounting options — the **Channel Kit** or **Bracket Kit** — to suit your installation needs.

Available Kit Options

1. Channel Kit Includes:

- 1 x Perforated Aluminium Panel (1988mm x 1188mm)
- 1 x Framing Kit – delivers a clean, enclosed finish
- 2 x U Channels – for secure side-mount framing
- 50 x Stainless Steel Screws – corrosion-resistant for long-term use

2. Bracket Kit Includes:

- 1 x Perforated Aluminium Panel (1988mm x 1188mm)
- 1 x Framing Kit – provides a smooth, finished border
- 4 x Post Brackets – ideal for direct post-to-post installation
- 50 x Stainless Steel Screws – built for outdoor conditions

Style Options:

- **Plain Perforated** – Clean, minimalist perforations for a refined, modern look
- **Decorative Palm Pattern** – Adds a bold tropical touch, perfect for resort-style aesthetics

## Description

### Premium Perforated Pool Fence Kits – 2000mm x 1200mm (Finished Size)

Bring modern style, safety, and functionality to your outdoor area with our **Premium Perforated Pool Fence Kits**. Available in two striking styles — **Plain Perforated** and **Decorative Palm Pattern** — these panels offer a unique blend of privacy, airflow, and architectural appeal. Each kit is engineered for durability and designed to comply with Australian pool fencing standards (AS1926.1).

Choose from two convenient mounting options — the **Channel Kit** or **Bracket Kit** — to suit your installation needs.

### Available Kit Options

#### 1. Channel Kit Includes:

- 1 x Perforated Aluminium Panel (1988mm x 1188mm)
- 1 x Framing Kit – delivers a clean, enclosed finish
- 2 x U Channels – for secure side-mount framing
- 50 x Stainless Steel Screws – corrosion-resistant for long-term use

#### 2. Bracket Kit Includes:

- 1 x Perforated Aluminium Panel (1988mm x 1188mm)
- 1 x Framing Kit – provides a smooth, finished border
- 4 x Post Brackets – ideal for direct post-to-post installation
- 50 x Stainless Steel Screws – built for outdoor conditions

### Style Options:

- **Plain Perforated** – Clean, minimalist perforations for a refined, modern look
- **Decorative Palm Pattern** – Adds a bold tropical touch, perfect for resort-style aesthetics

### Key Features:

- Finished Panel Size: **2000mm (W) x 1200mm (H)**
- Constructed from high-grade, powder-coated aluminium
- Low-maintenance, rust-resistant, and built for outdoor performance
- Fully compliant with **Australian Standard AS1926.1** for pool safety
- Simple installation – perfect for DIY or professional projects
- Available in two stylish colours: **Black** and **Monument**
- Suitable for residential and commercial applications

Choose a look that suits your space — from sleek simplicity to tropical statement — and build a safe, premium-quality fence that enhances your pool area.
