Polished Stainless Glass to Glass Latch - Straight Line

Ideal for securing **Glass Pool Fence Gates** or **Glass Balustrade Gates**, the **Polished Stainless Glass to Glass Latch - Straight Line** combines sleek design with durability. This high-quality latch is designed to meet both functionality and style requirements.

Key Features:

- **Durable Backing Plates:** Made from premium 316 Stainless Steel for enhanced strength and corrosion resistance.
- **Economy Latch Option:** Features a cost-effective black polymer latch for an affordable yet reliable solution.
- **Gate Drilling Required:** Requires two 10mm holes drilled in the gate (20mm from the edge, 42mm apart).
- **Latch Panel:** No holes required for the latch panel, making installation easier and cleaner.
- **Compatibility:** Suits 8mm, 10mm, and 12mm glass gates, offering versatility in a range of applications.
- **Optimal Installation Gap:** For best performance, leave a 9mm gap between the gate and latch panel to ensure smooth operation.

Whether for a pool fence or balustrade, the **Polished Stainless Glass to Glass Latch** offers a stylish and secure solution for your glass gate needs.
