

Glass to Glass Pool Fence Latch - Straight Line

The **Glass to Glass Latch - Straight Line** is an ideal solution for securing glass pool fence gates or glass balustrade gates. Designed for durability and sleek style, this latch comes in both an economy and deluxe range to cater to different needs and budgets.

Available in Two Ranges:

- **Economy Range:** A cost-effective option without compromising on quality. Ideal for budget-conscious projects.
- **Deluxe Range:** The premium choice, offering enhanced durability, sleek design, and superior finish options for those looking for high-end results.

Key Features:

- **Backing Plates:** Constructed from 316 stainless steel for long-lasting corrosion resistance and strength.
- **Gate Drilling Required:** Requires two 10mm holes drilled in the gate (20mm from the edge, 42mm apart).
- **Latch Panel:** No holes are required for the latch panel, making installation easier.
- **Compatibility:** Suits 8mm, 10mm, and 12mm gates for versatile application.
- **Recommended Gap:** For best results, leave a 9mm gap between the gate and latch panel for smooth operation.
- **Multiple Finishes:** Available in four stunning finishes – Polished Stainless, Satin Stainless, Matt Black, and Matt White – to complement your gate and overall design.

Whether you choose the economy range for a more affordable option or the deluxe range for a more polished look, the **Glass to Glass Latch - Straight Line** provides secure, stylish functionality for your glass gates. Perfect for both residential and commercial applications.
