

Polished Stainless Polaris 125 Series Glass/Wall Hinges with Round Post Adapter Plate

Includes Hinges + 50mm Round Post Adapter

- Polished Stainless Steel Finish
- 2205 grade stainless steel
- 4x fixing holes to wall/post
- Self closing pool fence compliant safety hinge
- Tested to cycle count Australian Standards requirements
- Adjustable closing speed with European dampeners providing a soft close action
- Polymer cone cap supplied and can be fitted on bottom hinge for anti-toe hold
- Suits 10 or 12mm thick glass gates (max 45kg)
- Easy gate installation: firstly, fit hinges to gate and place gate in proposed position. Once in correct position, screw off to wall/post through 2 x outer holes. Then open the gate and screw off through 2 x inner holes.

Note: You will need to use a Deluxe Soft Close Glass to Wall Gate Panel with these hinges. The cut out in the glass needs to match the cut out specified for these hinges.
