

Pool Pump Storage Satin Black

Elegant Aluminium Equipment Enclosure

Introducing our Elegant Equipment Enclosure – a perfect blend of style, practicality, and durability. Designed to conceal pool filters, rubbish bins, air conditioners, and more, this sleek enclosure adds a sophisticated touch to any outdoor space.

Key Features:

- **Sleek Design:** Crafted from 65mm aluminium slats and available in 10 premium finishes to complement any setting.
- **Complete Kit:** Includes door, hardware, and a lid with gas struts for smooth opening and closing.
- **Custom Sizes Available:** Choose from the dropdown menu. Please note we do not offer custom sizing outside of listed options.
- **Flat-Packed Convenience:** Delivered flat-packed for easy transportation and on-site assembly – no welding required.
- **Cost-Effective:** Save significantly compared to traditional fully welded enclosures without compromising quality.

Finishes & Materials:

- Available in 10 stylish powder-coated colour finishes
- Rust-resistant, durable aluminium – ideal for outdoor use
