

Top Pull Lockable Latch and Tru Close Hinge Set

- Premium top-pull gate latch designed specifically for child safety around pools
- Key-lockable for added security and peace of mind
- Meets Australian pool safety standards when correctly installed
- Top-pull design keeps latch out of reach of small children
- Durable, UV-stabilized polymer and stainless steel components – won't rust, fade, or corrode
- Self-latching mechanism with vertical and horizontal adjustability for a perfect fit
- Suitable for metal, wood, and vinyl gates
- Trusted D&D Technologies quality – ideal for pool safety gates, garden fences, and more

Plus

Black D&D Technologies TruClose Hinges – No Alignment Legs

- High-quality self-closing hinges designed for pool and garden gates
- No alignment legs – ideal for retrofits or custom gate setups
- Reliable, smooth self-closing action for enhanced safety and convenience
- Made from strong, UV-stabilized polymer for long-lasting outdoor durability
- Rust-free and maintenance-free – perfect for harsh weather environments
- Adjustable tension to suit gate size and weight
- Suitable for use with aluminium, steel, vinyl, and timber gates
- Compliant with Australian pool safety regulations when installed correctly
- Trusted D&D Technologies brand – a global leader in gate hardware
- **Rated for Gates up to 30kg**
